## About the Manitoba Aboriginal Sports & Recreation Council (MASRC)

The Manitoba Aboriginal Sports & Recreation Council (MASRC) is a non-profit organization with roots tracing back to 1988, officially incorporated in 1994. At MASRC, we firmly believe in the transformative power of physical activity as a tool for empowerment, fostering vibrant Indigenous (First Nation, Métis, Inuit) individuals and communities.

Functioning as "the bridge" between established partners within the sport and recreation sectors and Manitoba's Indigenous communities, MASRC plays a pivotal role in facilitating collaboration and accessibility. Our primary mission is to collaborate with Indigenous communities, organizations, and individuals to cultivate sustainable programs. Through these initiatives, we aim to enhance opportunities for community members to engage in sports and recreational activities, fostering holistic wellness and cultural pride.
